This Chart
is dedicated to my father
THOMAS HOWARD WHITE
and in compiling it I have endeavored
that only authentic records should
be copied.
In 1929 will appear a companion
chart of my mother
Almira Louisa Greenleaf.
After the charts are finished
I am hoping to publish a book with
pictures and short biographies of
the people whose names appear
on both charts.
Any contribution of information will
be gratefully received. I should
like also to hear from anyone
who can add anything to this record.

Ella White Ford.
